 recognized as Outstanding Seniors**

June 10, 2009 — Twelve extraordinary high school students from Black River High School and Sartori Education Center were recognized as Outstanding Seniors by Renton School Board members at tonight's meeting.

Black River High principal Wendell Ellis and Sartori principal Jay Leviton introduced the 12 students as an exceptionally talented group of young people who have received individual honors, succeed in the classroom, served their community and represented their school with poise and honor.

Students were selected based on their academic achievement, leadership, co-curricular involvement, citizenship and character, community service and contributions to their classmates and school. Students spoke briefly during the presentation about what made them successful in school and motivated them in their personal life. They recognized their parents in attendance, acknowledged friendships with other students, and honored inspirational teachers.
