Lindbergh High School students recognized as Outstanding Seniors

May 27, 2009 — Twelve extraordinary Lindbergh High School students were recognized as Outstanding Seniors by Renton School Board members at tonight's meeting.

Lindbergh High principal Tres Genger introduced the 12 students as an exceptionally talented group of young people who have received numerous individual honors, succeed in the classroom, served their community and represented Lindbergh High School with poise and honor.

Students were selected based on their academic achievement, leadership, co-curricular involvement, citizenship and character, community service and contributions to their classmates and school.

Students spoke briefly during the presentation about what made them successful in school and motivated them in their personal life. They recognized their parents in attendance, acknowledged friendships with other students, and honored teachers and others as “Most Inspirational.”

Other high schools will recognize outstanding seniors at upcoming school board meetings.
