# Renton administrator hired as Kelso School District superintendent

May 20, 2011—Rob MacGregor, Renton School's assistant superintendent for learning and teaching, has been selected as the new superintendent for the Kelso School District to replace retiring Superintendent Glenys Hill.

MacGregor was selected from a field of 23 applicants and was unanimously selected for the job by Kelso Board members. When the Kelso Board shared the decision at a community meeting, those in attendance cheered the MacGregor selection.

MacGregor has served in the Renton School District since 2008. He was an assistant superintendent with the state Office of the Superintendent of Public Instruction from 2001 to 2006. He also served as a principal in the Kittitas School District, a counselor in the Ellensburg and Naches Valley school districts, and a classroom teacher in the Thorp School District.

"Leaving the Renton School District will be difficult," said MacGregor. "Serving the teachers, students and community has been extremely rewarding both professionally and personally. I've learned so much by serving in Renton, and I'm extremely proud of the advances that have been made in student achievement. What I've learned in Renton will help guide me as I enter the next phase of my career."

MacGregor takes over the Kelso superintendent duties on July 1.
