

# Screening Procedure

All persons entering this facility must complete an attestation of wellness and have their temperature read prior to the start of each day.

**STEP 1:** Step up to the Seek Scan station and stand on the blue circle.

**STEP 2:** Remove any coverings that cover your forehead or face.

**STEP 3:** Wait for your temperature reading, was your temperature:

**Lower** than 100.4° → Goto **Step 4**

100.4° or **higher** → Goto **Step 5**

**STEP 4:** **Proceed to Work** and complete your attestation for today.

**STEP 5:** **Proceed to the Secondary Screening.** Please take your temperature again, following the secondary screening station instructions.
